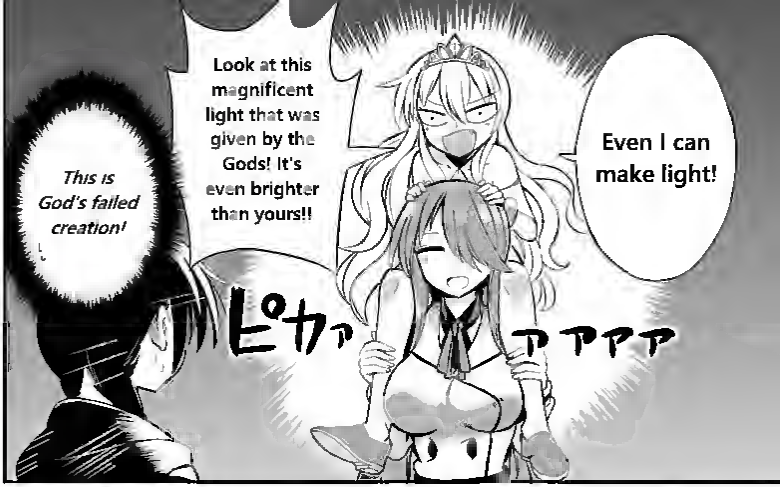
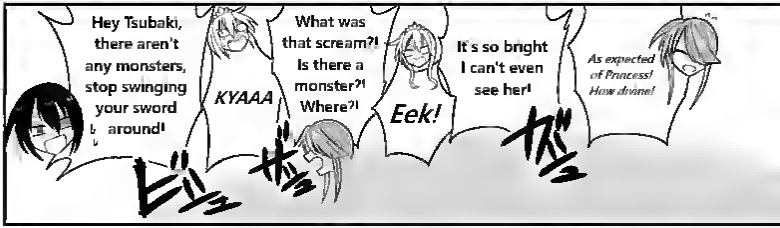
ゴオオオオオオオオ
Crossing the village, the first church is straight ahead.
According to the map, there's a village up ahead.

Besides, we would have reached here by noon, if you hadn't made us kneel.
Princess, you haven't even been walking.
Why did it take so long. It's already dark.
I can't walk anymore and I'm hungry.
ばーん!

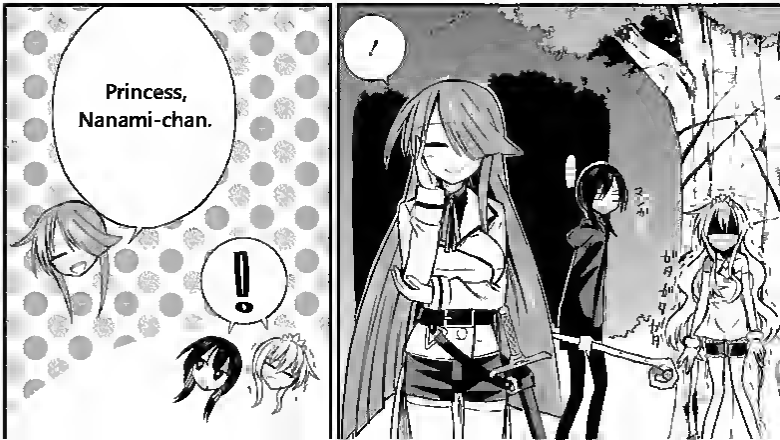
Sigh.
Really?
Did you power up from the previous battle?
But anyway, your magic is a life-saver, Nanami -chan



Even I can make light!
Look at this magnificent light that was given by the Gods! It's even brighter than yours!!
This is God's failed creation!
ピカァ
アアアア



Hey Tsubaki, there aren't any monsters, stop swinging your sword around!
KYAAA
What was that scream?! Is there a monster?! Where?!
Eek!
It's so bright I can't even see her!
As expected of Princess! How divine!



Princess, Nanami-chan.
!
!

It's the village.

What a gloomy village. I bet the food is bad, too
Aren't you glad? We can get some food~
H-h-hey Pr-Princess, it's already late at night, please don't shout like that.
HEY! I, THE PRINCESS, HAVE ARRIVED! EVERYONE PLEASE PREPARE A FEAST FOR ME!
おーーい!

Ohh, it's true!!
Sorry to disturb..
ざっ
ざっ
Is the princess really here?
Her highness?
Eh? Princess?
ガチャ
ガチャ

Hey everyone, over here!
Indeed, I am...
Like moths to a flame, they gather, huh.
What a divine aura! Such beauty!
Ohhh, so you're the princess!
Especially those two globes! Such a magnificent aura about them!
Ah, you're on your journey, huh.
Amazing!

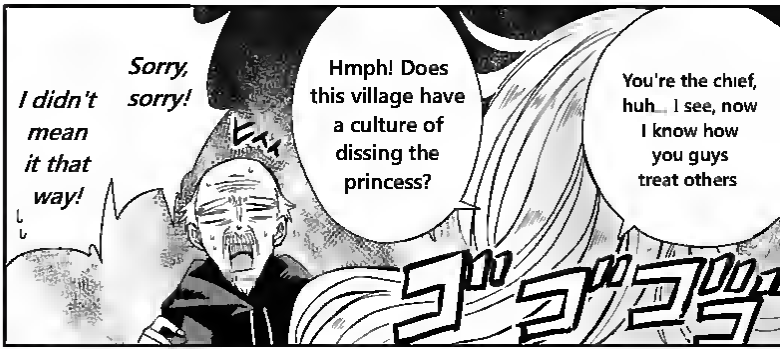
ゴォオオオ
Let me say this again I'm the princess.
It's not difficult for me to wipe this village off the map, ya know?
7
Isn't this enough, Princess?
Country bumpkins don't know how to kneel? It can't be helped then
In two seconds they shall learn
Hey! Who said you could raise your head! Dumbo magician, show them how to do a real kneel!
What do you mean by "real"?
Umm... I'm terribly sorry. If I stay like this for another hour, I won't be able to feel my legs...

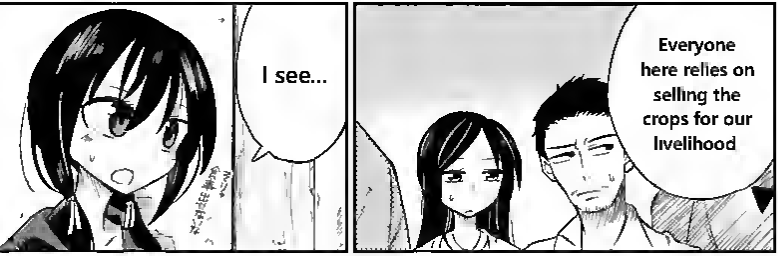
I'll forgive your earlier rudeness if you properly accomodate me!
Bring out the food!!
We can't accomodate you, Princess
ばんっ!



Sorry, sorry!
I didn't mean it that way!
Hmph! Does this village have a culture of dissing the princess?
You're the chief, huh... I see, now I know how you guys treat others
ゴゴゴゴゴ

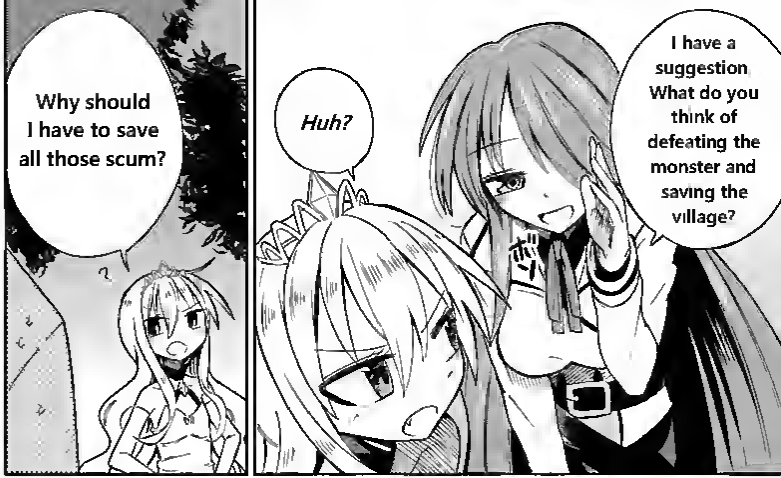
Actually...
Did... something happen?

We're in a pinch. We don't know how to deal with it.
We set a trap, but it didn't work. Even the youngters failed when they tried to take it down.
Every night, there is a monster who ravages the fields...



I see...
Everyone here relies on selling the crops for our livelihood

Princess.
Try to think, whose life matters more? Mine, or your puny lot?
Such a cruel princess!
Enough with the excuses! If you gather up all the ingredients from everyone, the least you could do is make me some food, right?



Why should I have to save all those scum?
Huh?
I have a suggestion. What do you think of defeating the monster and saving the village?

Hey, I thought I heard you say something earlier. Was it my imagination?
With your skill, in a split second, you're able to defeat monsters right?
Eh? What did you just say?
Isn't that why you have the nickname, "Princess Trash"?
Because of those scum,

Princess... consider it properly. If you save the village,
They'll give you their blessings and prepare a feast for you.

Eh? Why?
Beat into the villagers the proper way to kneel
Magician
Guide me, where are the fields at?
Isn't that obvious? It's for my viewing pleasure after I save the village.
It's like she wants them to bring her the finest wine there is!

You can only trap idiots with these things!
You're kidding me, right?
Oi oi, what's with this trap?
DEAR MONSTER, WE HAVE PREPARED A DELICIOUS MEAL FOR YOU HERE
VILLAGE CHIEF

If you really want, I can prepare a mirror so you can see
I really wanna see the face of the idiot who would fall for this.
はっはっは
はーはっはーん!!

I'll be off to scope things out
Nothing much
What was that?

You know...
You, on the other hand-- Magician, where did all the nutrients go for you?
Ah, all the nutrients went to her boobies, leaving the brain all dumb, but she's much more responsible than I take her for
ポン!ポン!
バキッ

It's just a monster who ravages the fields, right? Don't sweat it!
Shouldn't we go along with her?
If you think about it, wouldn't it be a powerful monster?

Text: As expected of the Princess!

She doesn't care about others...
HAHAHA
Well, she's not as skillful as me, but she's good to a certain extent

Is it Tsubaki -chan's...? Nah, that can't be right?

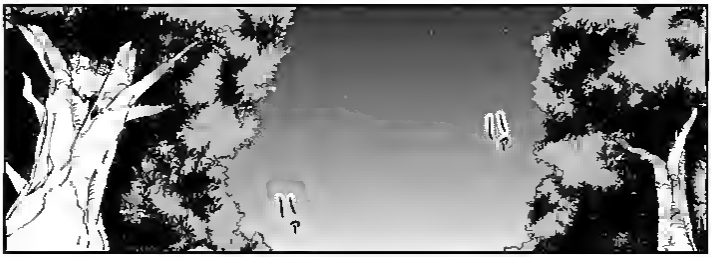
Was that a scream?
.....

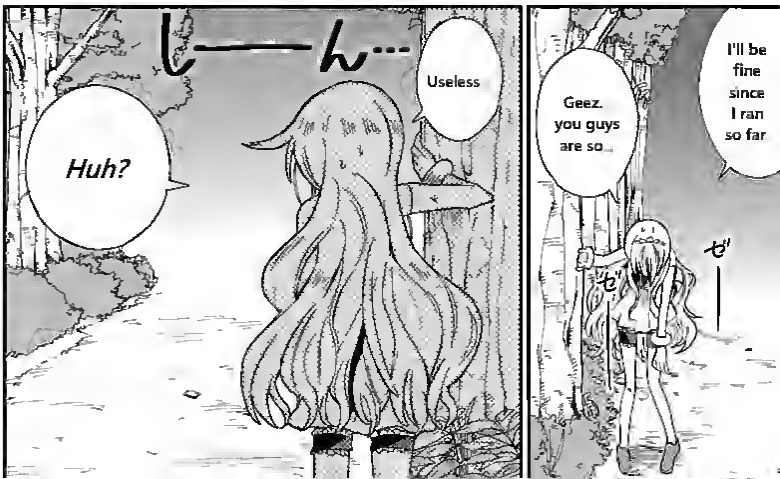
Wait up, Princess!
ドッ!
PRINCESSSSS?!

WE NEED TO SAVE HER!!!
Where are you going?! That scream had to be Tsubaki -chan's! Right?!

When your life is in grave danger, you might be able to unleash a legendary spell, ya know?!
Go and take a look!
Why are you assuming my life will be in grave danger?!
You sure don't look like you're conserving your energy at all. How many series of your "Princess" skillset do you have anyway?
THAT'S WHY I'M RUNNING AWAY NOW TO STORE UP MY ENERGY!
I really want to save her, but I don't have enough magical energy to use my "Princess Tornado"!

Geh-!
Hime, let's go to---





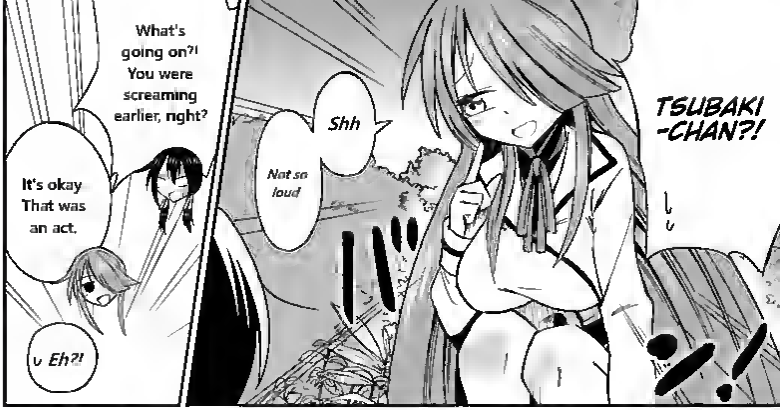
Huh?
Useless
Geez. you guys are so...
I'll be fine since I ran so far

Mm
Mm
Mm

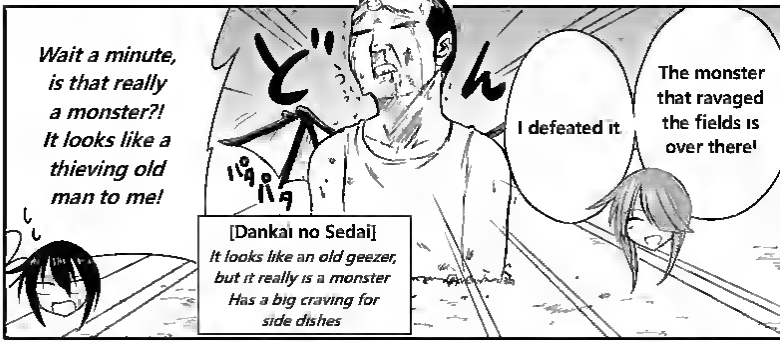
MMPH
?!

You can speak now, Nanami-chan. I'll remove my hands now, okay.
Mm mm!
Mmmph
!!
Mm
!

Mmph
!!



TSUBAKI -CHAN?!
Shh
Not so loud
What's going on?! You were screaming earlier, right?
It's okay That was an act.
Eh?!



The monster that ravaged the fields is over there!
I defeated it
Wait a minute, is that really a monster?! It looks like a thieving old man to me!
[Dankai no Sedai]
It looks like an old geezer, but it really is a monster
Has a big craving for side dishes

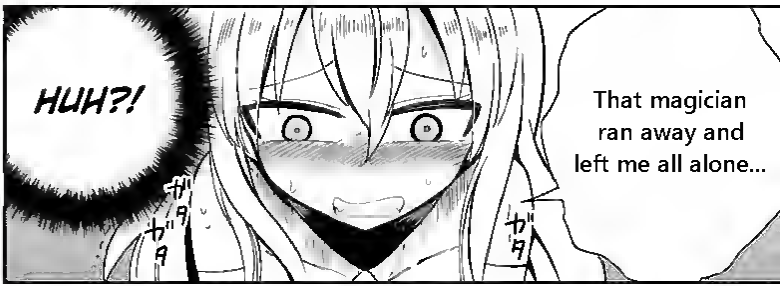
Can you please elaborate
What do you mean by an act

Don't tell me Tsubaki-chan's suggestion and going ahead to scout was all part of her plan--
What's more, the scream back then was to instill fear
glance
Princess
...?
What is she ...
ah
!!

ﾌﾟﾙﾙ
ﾌﾟﾙﾙ
ﾌﾟﾙﾙ

CREATING A SCENARIO WHERE PRINCESS IS SCARED SHITLESS!!!
ﾚﾚ
ばばーーーん

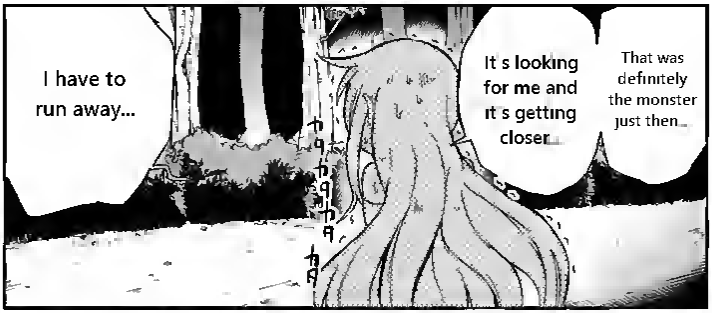
I really pity the Princess here.
ARE YOU AWARE OF HOW MENTAL YOU LOOK RIGHT NOW?!
So she can change herself and overcome her fear with her own strength.
This is also another trial for Princess...
Damn...



HUH?!
That magician ran away and left me all alone...

SHALL I WASH FOR YOU?
THAT FILTHY DISGUSTING HEART OF YOURS!!
How could that washboard of a chest magician do that to me...
She was supposed to be my meat shield...

Eekk ?!
crack
Using me as a decoy so cruel



I have to run away...
It s looking for me and it s getting closer
That was definitely the monster just then

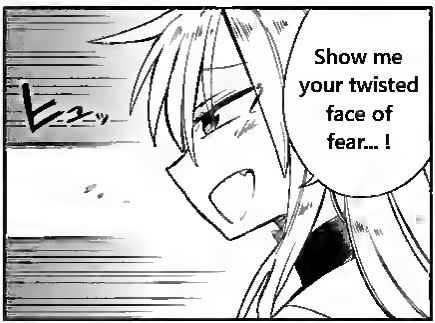
You'll be my slave for eternity
Damn magician if I see you, you won't get away unharmed
I want to do that too~

Ah, brings back memories~ I remember knocking on her door hundreds of times late at night.
Nice assist!
Same reaction still
You're not hiding your true intent anymore, huh

CRACK CRACK CRACK
I was found?! I'm dead meat!
HEEK!

I know!
Oh no! She's coming this way!
Must've been my imagination
What? It's not coming out?
……!!
Hmm?
ガサガサ

We're safe! ...Maybe not. Seems like she's really fixated over here!
It must be a cat, right?
ニャアアア

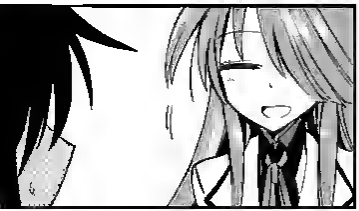


Show me your twisted face of fear... !
ヒュッ

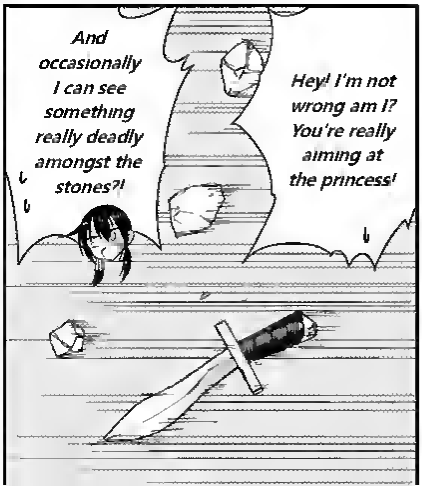
Oh no! She's really coming here! Suddenly she's really feeling brave!
Tiny animal! I understand you can't move an inch because of my awesome aura?
ザッ ザッ

EEEKK!
AGAIN?!
S-Something just flew past me with super sonic speed...

Umm... Tsubaki-chan, can I ask you something? Don't people usually throw those at monsters?
But aren't you throwing them at the princess?
H-hey
It must be the monster! It's coming at me with lightning speed!



I'm not gonna do it!!



And occasionally I can see something really deadly amongst the stones?!
Hey! I'm not wrong am I? You're really aiming at the princess!

You pass!
Monster... I understand your awesome -ness.
I don't understand you!!
Ah, you prefer to use magic instead, huh~

I can only hear her saying, "Please forgive me!!"
I'll make you into my comrade!!

And spineless, leaving me, the Princess, all alone to fend for herself!
Can't even use proper spells.
Boobless.
The ones I have right now are useless... especially the magician
To be honest, I'm on a journey and I'm looking for strong companions

Welcome to this side of the world~~~
Reflex...
It felt good...
どしーん
What do you think?! I'll welcome y--
I was thinking it was about time that I fired her.
ドゥ!!
ガバッ

She's trying her best to make sure her life will be spared!!
You have a condition? Hmm... sure, I don't mind. Lemme hear it.
ニヤ
はぁ

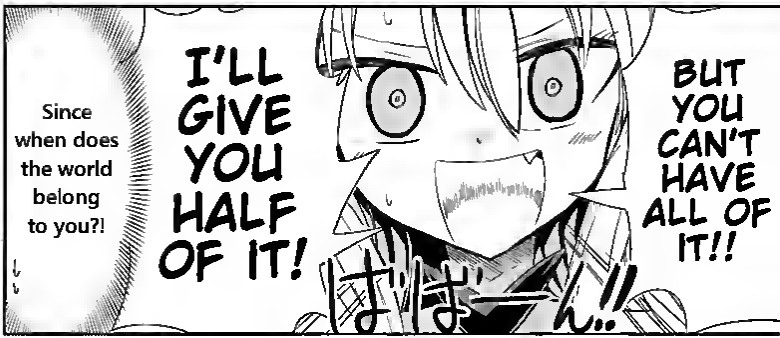
カタカタ

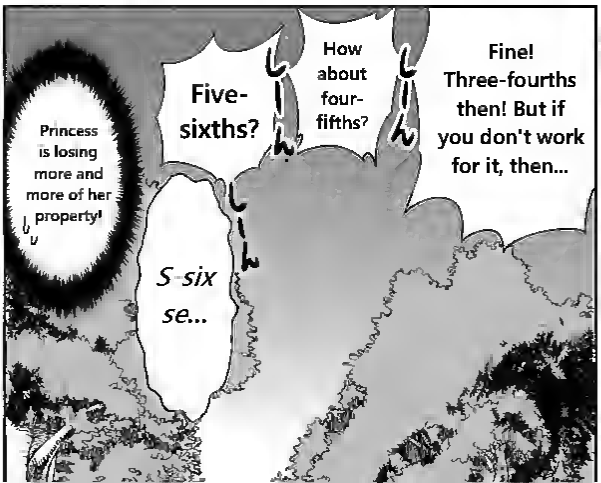
How much do you want to join me?
So? Do you want money? I got plenty!

My eyes don't deceive me.
With that attack, I'm sure you're better than those two.
What kind of warped thinking is that!
しゅっ
ﾋｭｯ

I'LL GIVE YOU THE WORLD!
Then how about this,
ばーん!
I see... so you don't want money, huh...
しーん

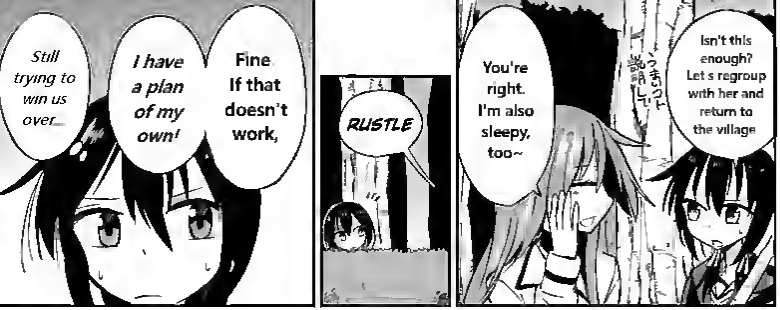


Since when does the world belong to you?!
I'LL GIVE YOU HALF OF IT!
ばばーん!!
BUT YOU CAN'T HAVE ALL OF IT!!

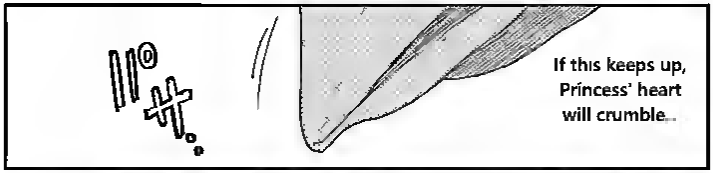


Princess is losing more and more of her property!
Five-sixths?
How about four-fifths?
Fine! Three-fourths then! But if you don't work for it, then...
しーん
しーん
しーん
S-six se...

しーん



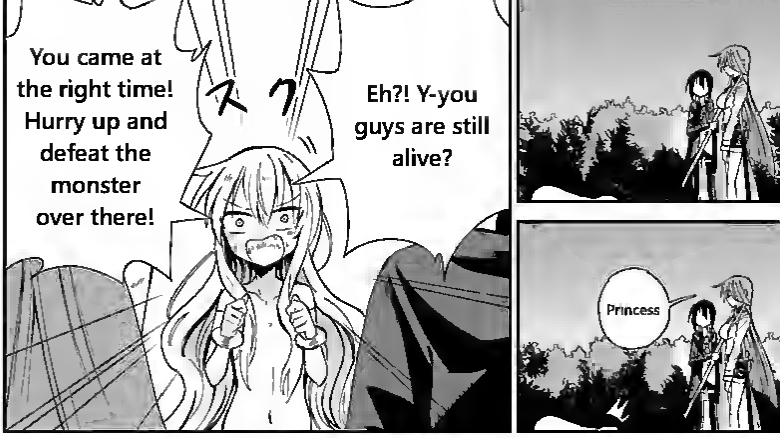
Still trying to win us over...
I have a plan of my own!
Fine. If that doesn't work,
RUSTLE
You're right. I'm also sleepy, too~
Isn't this enough? Let s regroup with her and return to the village



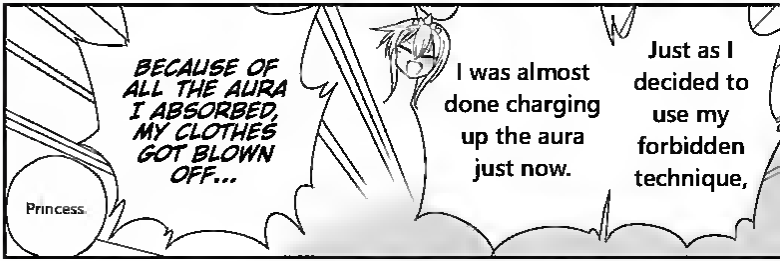
If this keeps up, Princess' heart will crumble...

Her heart has already broken into piecesss!
PLEASE TAKE ME IN AS YOUR COMRADE.

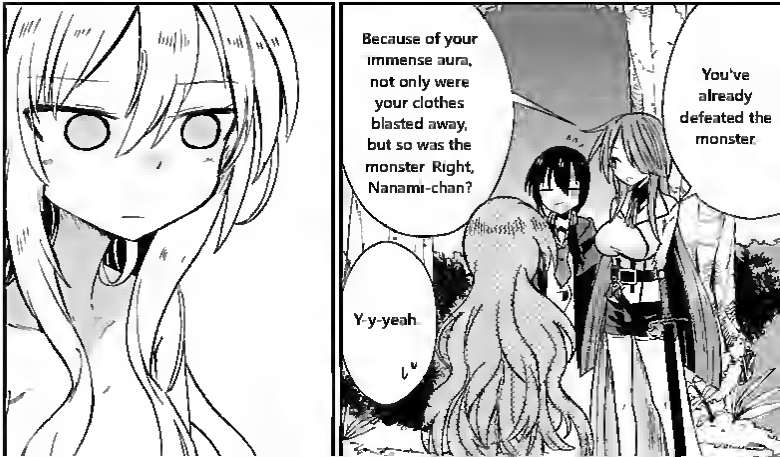
Princess



You came at the right time! Hurry up and defeat the monster over there!
スク
Eh?! Y-you guys are still alive?
Princess



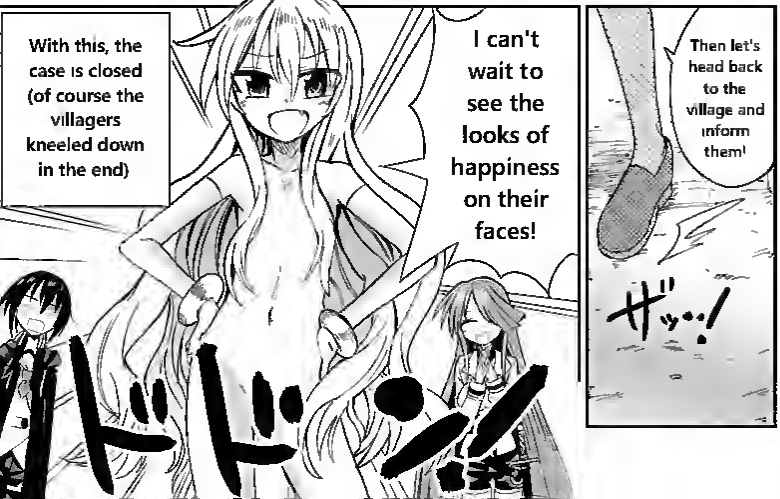
BECAUSE OF ALL THE AURA I ABSORBED, MY CLOTHES GOT BLOWN OFF...
Princess
I was almost done charging up the aura just now.
Just as I decided to use my forbidden technique,



Because of your immense aura, not only were your clothes blasted away, but so was the monster. Right, Nanami-chan?
Y-y-yeah
You've already defeated the monster.

I was just telling you what happened, that's all.
WELL,
フッ..

はーっはっはっ
She's really rude...
I felt it firsthand though?!
はっはっはっは
If you were watching, you could've just told me!
I was thinking of surprising you both!



With this, the case is closed (of course the villagers kneeled down in the end)
I can't wait to see the looks of happiness on their faces!
ドドド
Then let's head back to the village and inform them!
ザッ..!
